## **MT. PHILLIP TRAIL**

**Driving Directions:** A parking lot is located on the north side of Route 225, directly across from Starbird Lane, 1.5 miles east of Rome Corner (the junction of Routes 27 and 225).

Mt. Phillip can also be accessed via a lower parking lot just west on Route 225. Use these parking lots and do not park on the road.

**Trail Description:** 1.4 mile loop (320 ft. elevation gain)

The Mt. Phillip Trail can be accessed through the upper or lower parking areas. The lower parking area features a short connector trail that rejoins the main trail after 0.3 miles. The Mt. Phillip Trail is a loop that can be hiked in either direction leading to an open summit with an excellent view of the surrounding area, including Great Pond. Please keep in mind that the summit of Mt. Phillip is located on private property. Respect landowners and remain on the trail at all times.
